At the time Lee Harvey Oswald was shot, I was extationed by the double doors leading from the jail lobby to our basement parking arms, just opposite the door going into the jail booking office. I observed some ambers of the prese seximet the opposite wall, leaving a corridor between the group on my side and the group on that side.

As Captain Frits, Detsotive Leavelle and Detsotive Craves emerged with the prisoner, a group of reporter fell in back of them as they walked. Immediately after the shot, so many officers grabbed the suspect and completely engulied him that it was impossible to see who he was.
